

## David Cesare

David started his career serving eight years in the US Navy as an avionics technician aboard three aircraft carriers. He was a troubleshooter for radar, radio and electronic warfare systems, and an in-flight troubleshooter in the S-3 Viking aircraft during Desert Storm.

Following his military service, David worked on a 2000-user data network at Honeywell, and then spent 15 years in the telecommunication industry as a technician, trainer and Business Development Manager. During his tenure he trained businesses on programming communication systems. Then as a Channel Manager David developed and executed a plan that produced in excess of \$1.5 million of added revenue.

Embracing community outreach, David has served on the Board of Directors for Friends of the Islands for Honeymoon Island and Largo Mid-Pinellas Chamber of Commerce as well as the Chairman of the Presidents Circle for the Clearwater Chamber of Commerce.

David graduated from Nova Southeastern University with a BS in Business Management.
