

ACQUISITION
AND SUSTAINMENT

OFFICE OF THE UNDER SECRETARY OF DEFENSE

3000 DEFENSE PENTAGON
WASHINGTON, DC 20301-3000

Sue Englander
President
EEI Manufacturing Services
703 Grand Central Street
Clearwater, Florida 33756

Dear Ms. Sue Englander:

On behalf of the Department of Defense (DoD) and the Office of Small Business Programs (OSBP), we would like to extend our congratulations. It is my great pleasure to inform you that Raytheon Space and Airborne Systems and Englander Enterprises, Incorporated Manufacturing Services (dba EEI Manufacturing Services) have been selected to receive the 2018 Nunn-Perry Award. The prestigious award recognizes your team's superb performance this year as a participant in the Mentor-Protégé Program.

The Nunn-Perry Awards are presented to recognize Mentor-Protégé teams who have demonstrated exemplary effort in providing products and services to our warfighters. Your performance during FY18 has truly made an impact on the Department's Industrial Base through Technology Transfer. This year 21 Mentor-Protégé teams participated in the competition and 10 were selected.

We are excited to formally present this award at the DoD Mentor-Protégé Training Week Workshop in September 2019. We also encourage you to announce your company has been selected to receive the 2018 Nunn-Perry Award on your website and other media outlets of choice.

Thank you for your support, dedication and superior achievements which have contributed to this year's success for the Department's Mentor- Protégé Program.

Sincerely,

A handwritten signature in black ink, appearing to read "Shannon C. Jackson".

Shannon C. Jackson
Acting Director

DoD Office of Small Business Programs
